本案位于英国，别墅建于上世纪60年代，在业主委托下，设计团队对其做了全新的改造。推门而入，首先映入眼帘的是一个宽敞的入口门厅，一张高脚桌和一面镜子沿墙而设，桌子上摆放些许饰品来作点缀，给空间奠定优雅调性的同时还拓宽了视觉效果。前方是通往上层的盘旋楼梯，向右拐则能进入客餐厅。

客餐厅采用了开放式的布局，并与户外花园相连，由此将美丽的花园景色尽数揽入室内。业主希望空间的主色调以柔和素雅为主，所以设计团队采用了米色、钢青色以及灰色作为餐厅的主色调，这些颜色与花园里的绿色、沙色以及淡紫色形成了恰到好处的互补效果。餐厅的调性优雅耐看，餐椅采用了米白及蓝色系的布艺椅面，并嵌以高雅的金色饰边，餐桌的底座结构也是别出心裁，底部嵌入了一颗水晶球，整体搭配起来富有时尚雅致的气息。餐桌上方的吊灯来自于Maisha Design为Heathfield品牌设计的吊灯，餐厅一侧的餐橱柜则是设计团队为本案定制设计的。厨房

的整体风格及色调是根据餐厅的搭配方案来设计的，其家具也由Maisha Design定制设计，以深色木面为主，并嵌入精致的铬合金边线，由此增添了一份亮泽感。厨房操作台面采用了简约大方的米色石英材质，与灰色调的橡木地板相得益彰。

盘旋楼梯上铺设了乳白色的长地毯，沿着梯级而上能到达二层的客厅。客厅里摆放了两张Fendi品牌的座椅，坐在这里还能透过窗户眺望花园景色。由Maisha Design设计的电视柜巧妙地将LED电源线隐藏起来，并在中间嵌入了一个现代风格的壁炉。客厅里还挂放了不少业主收藏的画作，空间的整体色调与这些画作相契合，同时也给住宅注入了更多个性化的气质。来自Brian

Yates品牌的墙纸被运用于客厅之中，风格素雅却富有质感，给整体空间营造出高雅的氛围。

业主希望主卧的风格能拥有酒店般的舒适调性，于是设计团队为其设计了一个简约静谧的睡眠空间。富有质感的软包床头板、两张床头桌以及摆放在上面的两盏台灯都是由Maisha Design设计的，搭配效果和谐统一。角落处摆放了一张精致时髦的单人椅，其造型及色调也与整体空间相得益彰。此外，三楼还有另外两间卧室及浴室，方便给客人或业主的孩子们回来时居住。

The entrance hall of this 1960's townhouse is wide and welcoming. A console and mirror is a practical and elegant feature that allows unobstructed view of the spiral staircase ahead and the dining room and kitchen to the right.

The kitchen and dining area were designed to complement the beautifully landscaped contemporary garden outside. When it came to the interior design, the client specifically asked for a light muted colour scheme, so the dining area was designed with a in a soft beige and steel blue/grey colour palette that complimented the green, sand and lavender colours in the garden. The design of this beautiful open dining room is timeless and elegant. Stunning blue and cream fabrics are complemented by subtle gold finishes, creating a graceful and chic interior. The dining table features a stunning crystal ball detail at the base of the table legs. The chandelier was specified by Maisha Design and is from Heathfield lighting. The dining area credenza was specified by Maisha Design and made by the joinery workshop we work with to make our bespoke kitchens. The refurnished kitchen was designed to match the new, glamorous dining area. To add a touch of discreet sophisticated style we had them made with an inlay of chrome. A simple beige quartz worktop and greyed oak floor finished off

the new kitchen design.

A cream carpet guides you up the gentle curving staircase. On the first floor the sitting room features a pair of Fendi chairs which sit proudly in a recess that overlooks the rear garden. The TV unit was designed by Maisha Design to house the LED electric fireplace from Platonic fires which adds a warm feel to the room especially at night. The client's artwork gently inject some colour and personality into the space. Beautiful textured wallpaper from Brian Yates runs through the living areas helping the calm sophisticated feel flow through the house as you walk through.

The client wanted a hotel style bedroom which was a peaceful and calm sanctuary. Maisha designs the upholstered headboard and added a pair of bedside tables and smart table lamps. A stylish bedroom chair was added in the corner of the bedroom where the bedroom doors opens. The second floor has a further two bedrooms and bathrooms which are used for when the owners grown up children stay and for guests. **M**
